

Pinking Machine

«ZM»

- The most simple 80 cm (31 ½") power driven swatch and sample cutting machine of the world.
- Designed for textile samples with serrated or straight edges.
- Effortless cutting of any fabric quality, far superior and much more economic than hand operated models.
- Very precise and accurate thanks to right angle guide with millimetre graduation.
- Easy to operate, fast and powerful.
- Mechanical safety device and two-hand operation according to US and EC safety regulations.
- Solid construction, minimal space requirements, low energy consumption and noise level.
- Mobile, ready to use anywhere.
- Reliable and maintenance-free.
- Unmatched price!

Technical Data
